À la carte!

YOU CHOOSE – WE MANUFACTURE FOR YOU

It is this very principle that allows us to offer you **great flexibility in the composition of your table** in terms of shapes, colours and quantities.

A PERSONALIZED & ATTRACTIVE TABLE

A palette of **18 colours et 2 finishes**:

- to match the tableware to your menus
- for table settings coordinated with front of house colours
- themes: seasonal or celebrations
- To give a natural or artisanal finish with the "clay line" around the rim

MODULAR

A choice of **9 stackable shapes** to fit with:

- **all types of environments** (table service or buffet)
- the presentation, portions or the recipe culinary theme

THE ADVANTAGE OF FLEXIBILITY

Add new shapes and colours to your table or reorder as and when you like.
