A LEGACY OF EXCELLENCE

THIS IS OUR DNA

A 60 YEAR OLD REVOLUTION

It's a long time, 60 years. With people, it's a balding third generation. With cars, they have become classics. Technology that old, has become museum artifacts, possibly unusable and at best, evoke nostalgia. Our evolution, has been quite on the contrary. We started with silver-plating sports trophies, to now manufacturing a wide range of trend-setting lifestyle consumer goods. Our products have grown younger and younger over these decades. Well, we can possibly say that even after 60 years, we are almost brand new!

1962

The Stalwart Co. founded by Mr. Rajinder Paul Khosla for silverplating of sport trophies.

1971

Transformed into a OEM exporter of luxury gift and home silverplate products.

1993

USA Division launched with showroom at 230 5th Ave, NY City and warehouse in Long Island NY

2007

Stainless Steel manufacturing facility OEM to Luxury Tableware brands

2013

Launch of Skyra Professional Tableware

2021

ORIGINAL EQUIPMENT MANUFACTURING

For over half a century, Skyra prides itself in successfully executing absolutely high quality projects with the best standards. By consistently challenging ourselves with ground breaking forms, finishes and techniques. The organization is equipped to assist in design, rapid prototyping, high-speed CNC tooling, fabrication and deep draw manufacturing and also the widest library of finishes in the industry.

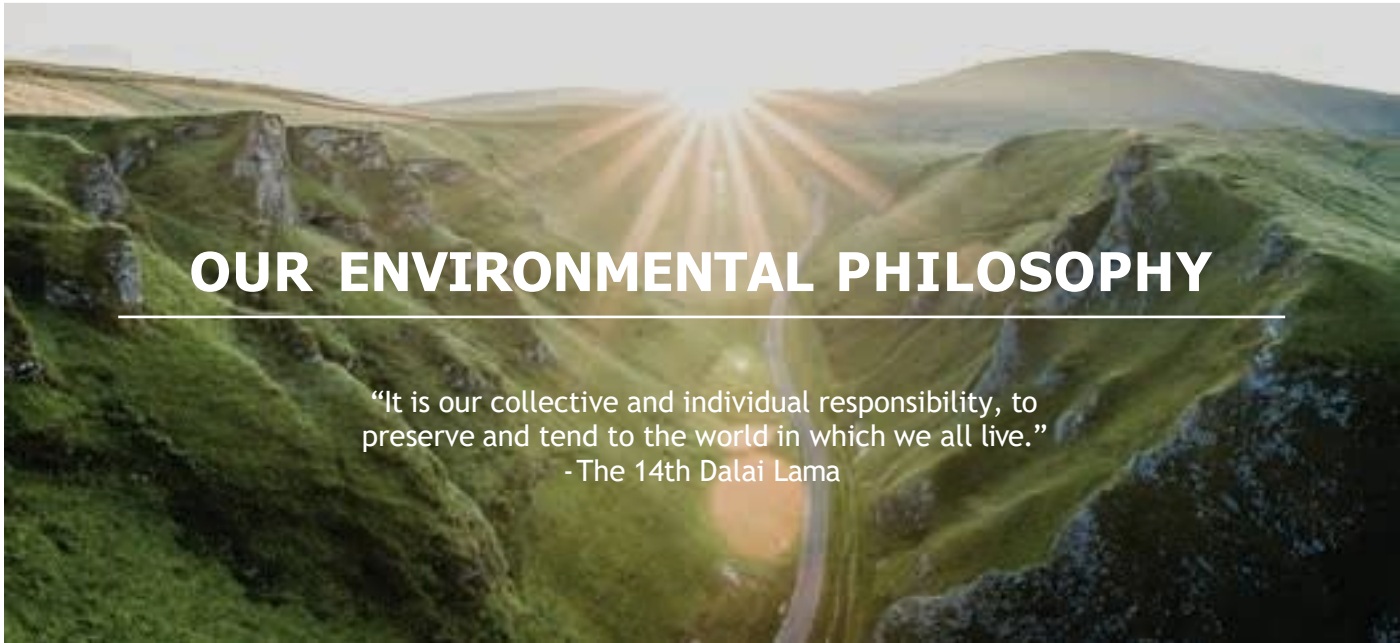

OUR QUALITY, OUR PRIDE

The Skyra brand is globally established for the highest quality products in the world. Our manufacturing plant is located in the automotive manufacturing belt of India. By following best practices, Skyra proposes the highest quality product at a value price offering. We want to create a safer and a more luxurious dining experience for everyone.

OUR MISSION

Our mission is to create serving systems that can elevate the taste of food and make it safer for the entire world to consume.

OUR ENVIRONMENTAL PHILOSOPHY

“It is our collective and individual responsibility, to preserve and tend to the world in which we all live.”
- The 14th Dalai Lama

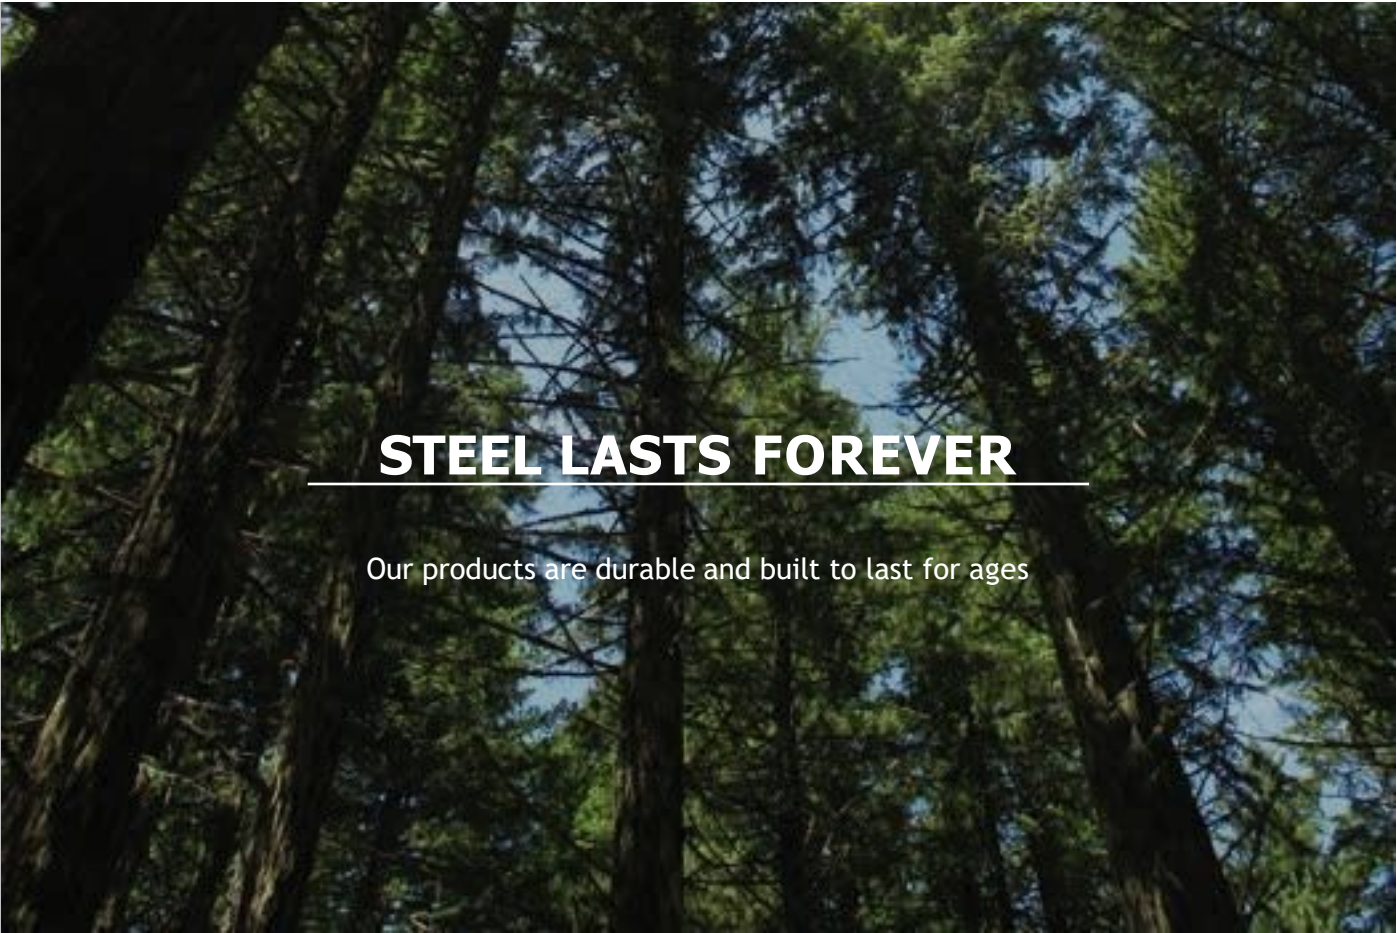

PRODUCTS

Our food serving products are aimed at replacing plastic disposables in the event industry. Further, we manufacture in heavy gauge, rolled edges and laser welded joints for higher durability. This enables our finished products to replace one-time use items, and sustain 20-50% longer than our competitors.

RESOURCES

Skyra is pleased to plan our new factory in line with a GOLD certification from LEEDS. This marks our first green factory in the group. It is in line with our company vision to make all our factories green by 2025.

STEEL LASTS FOREVER

Our products are durable and built to last for ages

RAW MATERIALS

Using recycled raw materials, consumables and packaging, we have cut our average per unit carbon footprint by 33% over the last decade.

MANUFACTURING

We have replaced our 60 year old tradition of electroplating with a state-of-the-art Pressure Vapour Deposition coating plant. Not only is our PVD coating evolutionary in every way, but it is also a zero pollution process.

Design + Innovation

OUR CHEF PASSION PLATFORM

Every year, our Design Team meets with a panel of the world's top F&B Professionals to discuss gaps in the industry. We collaborate and innovate designs to launch over a 100 new cutting edge products.

If your passion is food, we invite you to join the Skyra Chef Passion Platform. Together, we will drive our mission : To serve the world with tastier + safer food.

SKYRA MINIBYTES COLLECTION

Skyra MiniBytes are fun items that bring joy to the food presentation. Inspired from iconic themes that we come across in our everyday lives and remember from our childhood, these wonderful amuse bouche servers are intelligent and playful. The MiniBytes collection is priced extremely well so as to be a valuable alternative to ceramic mini vessels.

SKYRA DOBBELT BOWL COLLECTION

Dobbelt in Danish means 'double'. It accurately describes our minimalistic Scandinavian Double Wall Bowl Collection. The Double Wall allows for insulation when filled with hot food and prevents sweating in cold stations. It also helps keep food warmer for extended periods. The thick-walled, sleek designs are superbly finished and look beautiful in any setting.

INTRODUCING THE **SKYSTATION**

A MODULAR & COLLAPSIBLE LIVE ACTION STATION

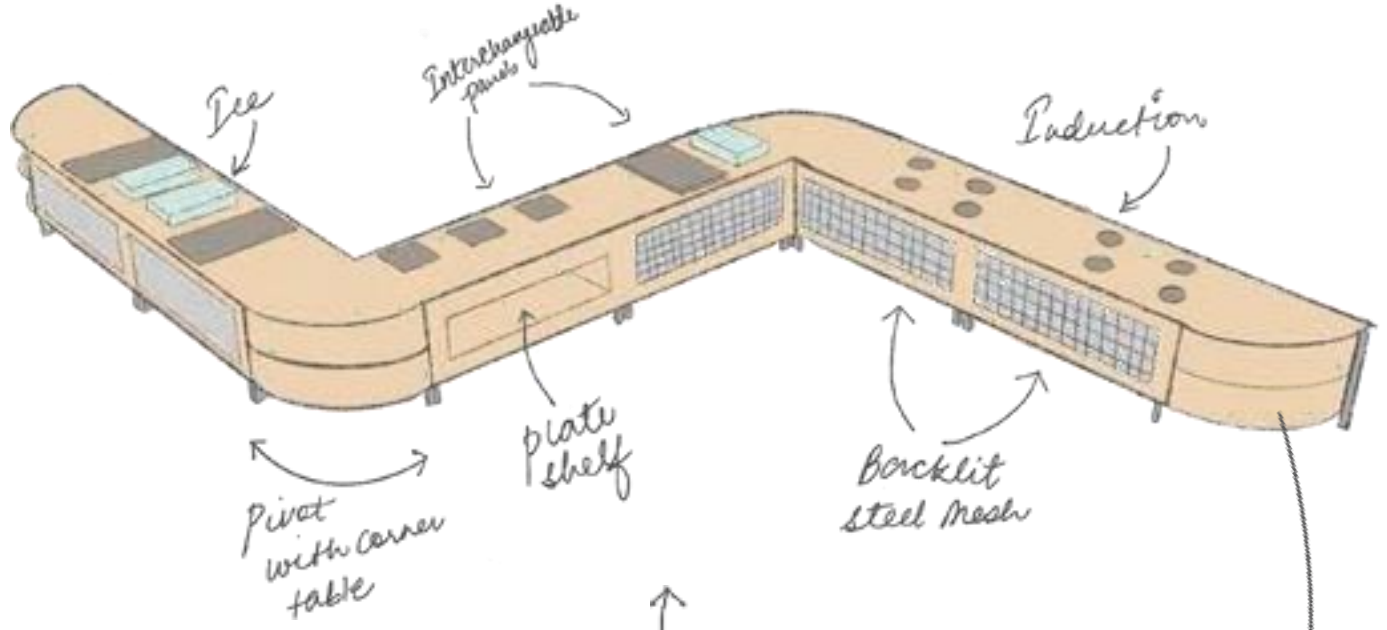

In Frame : Warming Induction Module + Cooking Module Combination

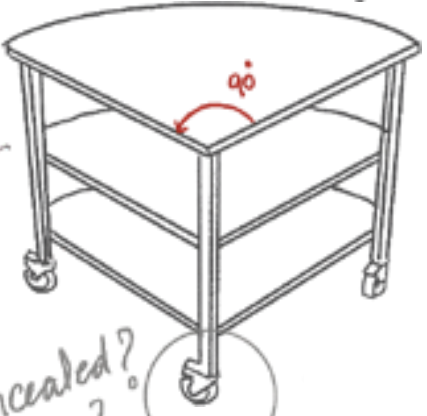

SKYRA[®]

Original Design

Durable
Folding
Modular

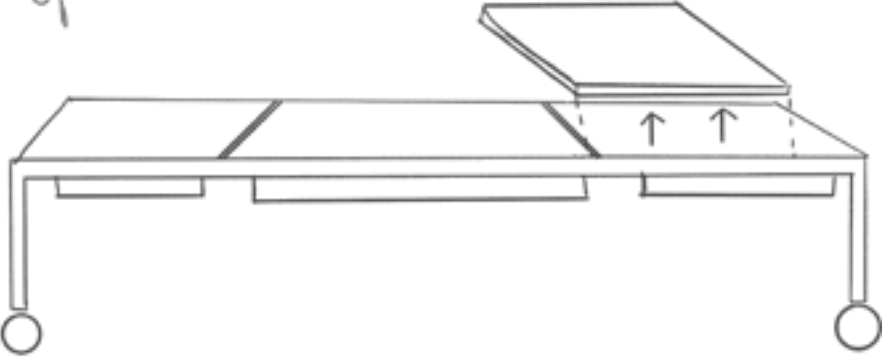

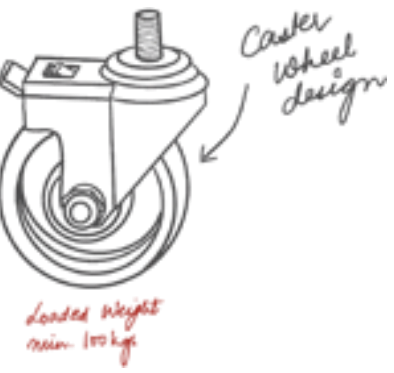

Skystation is the New way to Buffet. It is theatrical and engaging. The diner can interact directly with the chef. With the Skystation buffet will evolve beyond other styles of dining. Not only do we want to raise the presentation of cooking to front house, we want to take it to centre stage. The Skystation will transform cooking to next level.

6 folded frames occupy equal space to 1 unfolding frame

Double sided Buffet

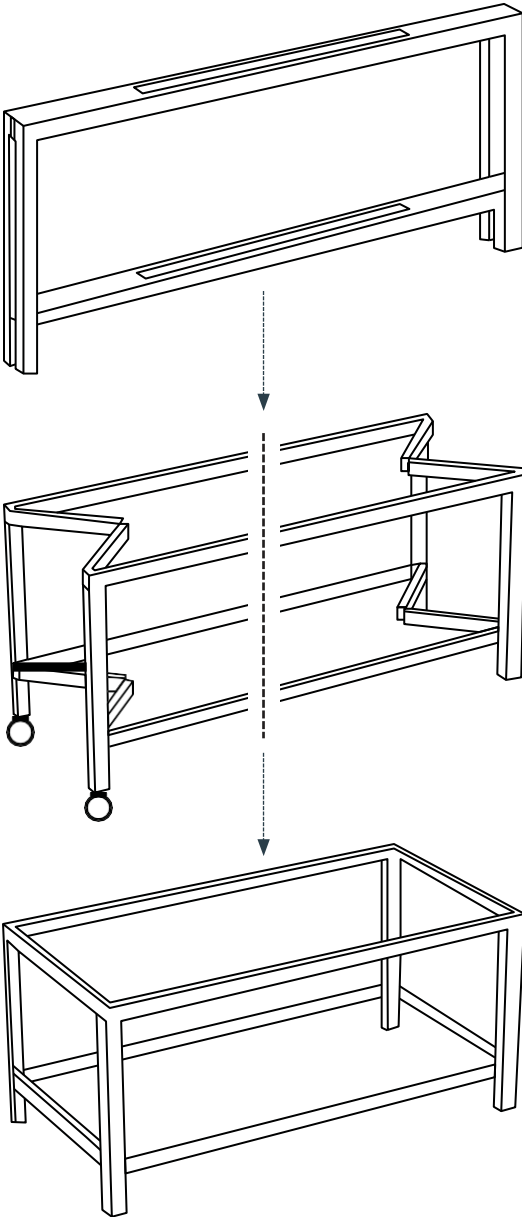

The design is elegant, build quality is tough & finish is beautiful. It's interchangeable modular tiles will allow for every type of cuisine. At the end of the event, The Skystation will fold away easily and compactly. After all, the value is in the presentation but the savings are in the logistics.

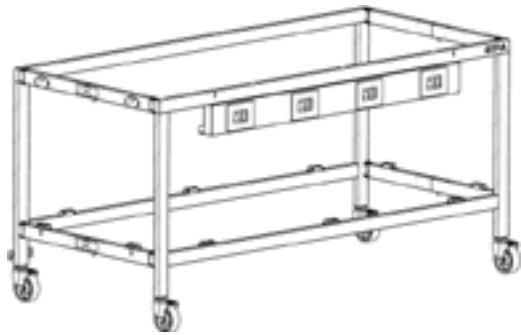

HOW DOES THE SKYSTATION WORK?

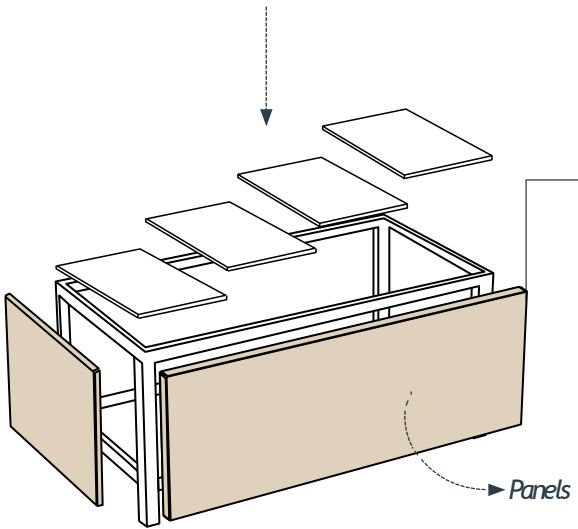

A step-by-step guide

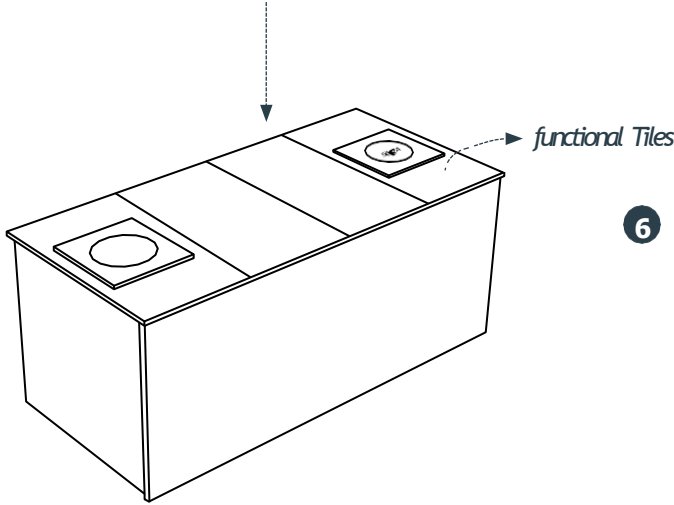

- 1 Flat packaging for easy transportation
fast and easy installation
- 2 Foldable joints to swiftly open the station
Optional caster frames available
- 3 And just like that, the base is now set up!
Customisable with add-on panels

- 4 Mount the Electric Strip on the frame
Mounted on the back side

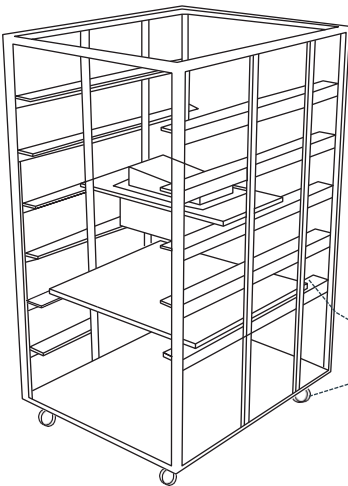

- 5 Easy attach system to mount panels on the frame
Panels are mounted on 3 sides of the frame

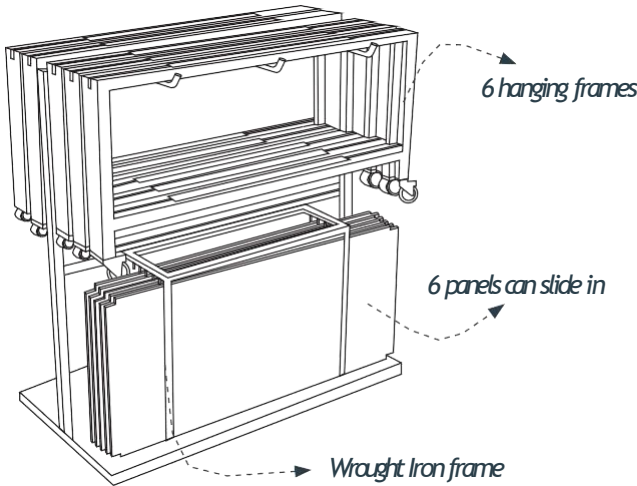

- 6 Choose the Functions, Materials and Colors of your choice. You are all set to experience the Skystation. Four functional tiles are placed on top of the frame. The frames and tiles can be interchanged to change the aesthetic and function of the Skystation

is as delicate as it is beautiful and should be handled with great care.

below are a few tips on how to take care of your new products

Care and Maintenance:

1. Functional Furniture:

- **Stainless Steel Parts:** Hand wash with hot water and neutral detergent. Avoid chlorine and alkaline cleaners. Dry thoroughly, and don't use scrapers or steel wool. No dishwasher use.
- **Stone or Wood Laminates:** Wipe with neutral detergents on a damp cloth. Avoid scrapers, steel wool, and dishwasher use.

2. Tableware:

- **Stainless Steel:** Hand wash with hot water and neutral detergent. Avoid chlorine and alkali cleaners. Dry thoroughly. No scrapers or steel wool. Clean promptly after use.
- **Silver and PVD Coatings:** Follow stainless-steel care. Silver may oxidize; remove with silver polish. Avoid prolonged contact with dishwasher steam. Wipe dry immediately after the cycle.
- **Dark Spots:** Remove with lemon soap-soaked cloth or, if necessary, liquid metal polisher. Avoid abrasive materials.

It is important to note that metal when exposed to an open flame or high temperature will develop discoloration in the heat affected zone. This is a natural property of metals with heat and cannot be eliminated.

Do Not Instructions:

- Avoid direct contact with acidic foods. Use provided stainless steel food pan liners.
- Do not use over direct heat/flame. Ensure water is in the water pan for chafing dishes.
- PVD Coated products are for front-house serving, not cooking.
- Avoid scrubbing with abrasive sponges. No industrial detergent or dishwasher use.
- Wipe dry to prevent water marks. Avoid abrasive materials for buffing.

Product Installation:

Skyra Provides Free virtual installation guidance. On-site installation is chargeable at Rs. 5000 per day + transport and lodging as applicable.

Returns and Warranty Policy:

Returns processed within 7 days if unopened. 30-day warranty for manufacturing defects. Report defects immediately. Wear and tear or user negligence not covered.
